## 01. FROM YOUR ACTING PRESIDENT

Dear friends,

We hope this finds you in good health and that you had a pleasant journey home from Munich. It was a pleasure to meet with you in Germany for our Congress during the European Championships.

I think we can all agree that the table tennis competitions at the European Championships were spectacular. The standard was very high and showcased the brilliance of our sport to new audiences. We also saw first-hand the popularity of table tennis in Europe, most particularly in Germany, with full venues over the last few days. Our participation in the event was a great success and we will certainly look to be involved again in the future.

Of course, the Championships were also an opportunity for the ETTU family to come together for our Congress. It was a very productive meeting and reinforced the unity of our federation. We stood in solidarity with Ukraine athletes and the Ukraine Table Tennis Federation, which was represented by President Alexander Zats, and sent out a message of peace through sport.

As I said during the Congress, Europe is at war, but we are at peace in the European table tennis community. We have faced many challenges together, and continue to face challenges, but working together we have been able to overcome them and continue to take our sport forward.

We have much to look forward and I have no doubt that continuing to work as a team will bring us much success. There is very little time to wait before our amazing competitions return. The men's and women's Champions League 2022-23 season as well as the men's and women's Europe Cup 2022-23 season are underway. We are sure that our club competitions will once again capture the imagination of fans around Europe and bring great drama and excitement.

Also, the Stage 1 of the 2023 European Team Championships will soon start, giving the chance for our European table tennis starts to play in front of their home crowd.

Before that, on 14th-18th September the 2022 European Under 21 Championships has taken place at Cluj Napoca in Romania and showcased promising talents for the future. We congratulate the Romanian Table Tennis Federation (FRTM) on hosting a very successful state of art event. And the 2022 Europe Youth Top 10 in Tours, France, will finish out the month of September.

We are also working with ITTF to host an ETTU Extraordinary Congress in Amman, Jordan during the first ever ITTF Summit on 4th-6th December. We will keep you updated on this, but our intention is to present our 2023 plans and budget during the Extraordinary Congress.

There is a lot to look forward to between now and the end of the year and a lot of hard work needed by all of us to support our sport and our athletes. I have no doubt we are up to the task, and I am excited to continue to work with you in the months ahead.

Yours sincerely,

Pedro Moura  
ETTU Acting President
